Service for the soul

## Welcome to Peace of Mind Care Center

At Peace of Mind Care Center, we believe in more than just care; we believe in service to the soul.

Established with a vision to revolutionize care services, our center is a haven for individuals facing diverse challenges, aged 18 and above.

With dignity, respect, and independence at our core, we are committed to enriching lives through holistic well-being.

### Our Founder's Vision

Fartun Weli established Peace of Mind Care Center out of a desire to revolutionize care services for seniors and individuals with disabilities. With a focus on inclusivity, cultural alignment, and a people-centered approach, our founder aims to provide a space where care is infused with respect, dignity, and independence.

Service for the soul

# A Place To Belong

We provide a supportive and engaging environment for individuals aged 18 and above, facing various challenges such as physical disabilities, cognitive deficits, traumatic brain injury, and memory loss.

### No Waiting List

We ensure you receive the support you need when you need it most.

### Nurse and Social Worker On-Site

Our comprehensive approach to your well-being, addressing both medical and social aspects of your health.

### Round-Trip Transportation

We ensure you can easily attend appointments and engage in your care without any logistical challenges.

### Low Staff to Client Ratio

We prioritize personalized attention, getting to know you and tailoring our services to meet your unique needs

Service for the soul

## Mission & Vision

### Mission Statement:

To foster well-being and empowerment through person-centered support that enriches the lives of those we serve, caregivers, employees, and the broader community.

### Vision Statement:

Peace of Mind envisions a future where purposeful services enable individuals to reach their full potential, positioning ourselves as facilitators of holistic well-being.
